

Peace Country Beef & Forage Association 2025-26 Corporate Sponsorship Program

The Peace Country Beef & Forage Association is a non-profit producer group, run by Peace Country farmers and ranchers. We strive to provide credible and locally viable information to Peace Country producers, through our unbiased applied research and extension programs, delivered in ten municipalities across the Peace Region. Our vision is to create agricultural systems that are profitable, regenerative, self-sustaining and self-maintaining. We are currently made up of 10 volunteer producer directors, 8 permanent staff, and approximately 150 farm members.

PCBFA has a wide network of producer contacts throughout the region, and we reach producers through various mediums including:

- Extension events (20+ events held each year across the entire region)
- Monthly newsletter sent to all farm members
- Podcast with over 4,000 downloads annually
- Online presence: www.peacecountrybeef.ca
- Social Media: Facebook, Instagram, and YouTube

Through our Corporate Sponsorship Program, we form partnerships that enable us to fulfill our goals of serving agricultural producers and supporting our rural communities. The Corporate Sponsorship Program is for companies, partnerships or corporations who wish to be identified as supporting the Peace Country Beef & Forage Association and its programs. Our corporate sponsorship program is designed to create value for our corporate partners.
